

OUR PRIMARY & SECONDARY SCHOOL PACKAGES

All packages include a consultation phone call, access to all written LAUNCH materials, priority list creation, and unlimited emails.

comprehensive

The comprehensive package is all-inclusive and contains everything from the essentials package plus more! In it, LAUNCH provides detailed reviews on schools, an overview of the school inspection reports, guidance on and advice for the Amsterdam lottery (if applicable), school availability consultation, and your school visit logistics (if applicable).

LAUNCH encourages families to start this search as soon as they know about their relocation. This package is suitable for families who do not know their address.

essentials

The essentials package provides a family the necessary advice for six to eight schools after the development of a family's priority list. LAUNCH thoughtfully curates a school list of six to eight schools best suited for the family.

LAUNCH encourages families to start this search as soon as they know of their relocation.
